

LEXINGTON PARKS & RECREATION

Concession Regulations

The Lexington Parks & Recreation Department will allow local youth organized sanctioned leagues to sell food and drink products during times that their league is playing at the park. Leagues may be allowed to set up temporary stands (tents, coke wagons, grills, etc.) with prior approval for set up and location by the Park Foreman. The location must be approved due to keeping proper maintenance of the parks and equitable treatment of all leagues. At no time will anyone be allowed to set up private concessions of any kind on park property. Leagues that have permanent concession stand buildings may be allowed to sell from them with prior approval relative to time, etc. The City of Lexington will not be held responsible for any liability or damages associated with the sales of food or drink items by any league.

Any type of charcoal or gas grill must be removed or stored off park property when not in use. Ashes from charcoal grills CANNOT be dumped on park property.

Violations of any rules, regulations or policies may result in concession sales privileges being revoked.

The City of Lexington reserves the right to change or modify any and all rules, regulations and policies as needed.
